Notes on participation, conduct and management of the hearing Each IP is entitled to make oral representations at the hearing subject to the ExA's power to control the hearing. Individuals who have not registered in advance may participate at the discretion of the ExA. You are advised not to repeat in your oral evidence material that has already been included in your Relevant or Written Representations. These have been read by the ExA.

You are also advised that any new evidence that you present in your oral representation should be included in post-hearing submissions (including written submissions of oral cases) at Deadline 3 (Thursday 14 February 2019). That way you can be sure it has been recorded accurately.
