Dear Planning Inspector,

Could you please ask Vattenfall why Necton Wood (an Ancient Woodland) has not been specifically mentioned in their document EN010079-001923-6.05 ref 62 (page 54). This paragraph lists a number of Ancient Woodlands where the cable route will not extend within 15m of the wood. Will Necton Wood be afforded the same, or better, degree of protection?

Regards,
