1 INTRODUCTION

- The offshore ornithological assessment was informed using baseline site characterisation data collected by digital aerial survey methods, conducted by APEM Ltd. This note provides a list of the dates and times of each aerial survey conducted across the Norfolk Vanguard East (Table 1) and West (Table 2) sites.

Table 1. Survey dates and times for Norfolk Vanguard East

Survey ID	Date	Start time	End time
1	14/03/2012	09:01:41	12:53:11
