

Planning Act 2008 (as amended)

EN010079 – Application by Norfolk Vanguard Limited for an Order Granting Development Consent for the Norfolk Vanguard Project

Proposed Norfolk Vanguard accompanied site inspection itinerary – 25 and 26 March 2019

The itinerary for the accompanied site inspection can be found below.

Please note that the Panel’s inspection of sites is not an opportunity to provide any oral representations on the project or discuss evidence. It is an opportunity for the Panel to look at the physical features that can be seen on, or from the sites. Participants may be invited by the Panel to point out specific features or sites of interest.

Joining the site inspection

The site inspection will commence at Happisburgh Community Car Park, Beech Road, Happisburgh, NR12 0PR on Monday 25 March 2019 at 10.00am. Parking will be free of charge for participants. Transport to accompany the Panel will be provided, however space on the minibus for members of the public wishing to attend will be on a first-come, first-served basis. Once the vehicle is at capacity, participants will be required to use their own vehicles to follow the itinerary. Participants are asked to assemble promptly at the car park - the Panel will not wait for parties who are not present at the start point at the notified time.

A second day of site inspections will take place on Tuesday 26 March 2019, starting at Necton Community Centre, 13 Tun’s Road, Necton, PE37 8EH at 10.00am

A map detailing all viewpoints to be viewed on the accompanied site inspections is available here:

All timings are approximate - it is not possible to predict precisely how long each part of the inspection will last. Parties wishing to join en route should notify the project case team, by telephone on 0303 444 5000 or email NorfolkVanguard@planninginspectorate.gov.uk giving a contact telephone number.

To ensure the smooth running of the Panel's inspection attendees should provide contact details for the day, notify the case team if there are any changes in attendance, and ensure the Planning Inspectorate is made aware of any special access requirements for any participants.

Clothing

It will be necessary for all parties to wear appropriate sturdy footwear and weather-proof clothing. All parties are advised to bring and wear high visibility jackets, if they have them, when walking on the public highway.

Sites on private land

Access onto private land is at all times by permission of the person controlling it; householders, occupiers and landowners may refuse to allow some persons accompanying the Panel onto their land. Under those circumstances, the Panel will decide whether or not to proceed with that part of the inspection and may ask those refused access to wait outside.

Cancellations

Please note that in the unlikely event that the accompanied site inspections are cancelled due to unforeseen circumstances we shall endeavour to contact attendees beforehand but we would ask that you regularly check the Planning Inspectorate's website which can be viewed here:
