The Norfolk Vanguard Offshore Wind Farm

Dear Sir / Madam

Further to the application relating to the Norfolk Vanguard Offshore Wind Farm, we wish to provide our further responses as follows in relation to Deadline 5-

Response to Examining Authority Questions - 27 February 2019

1.20 Content of the draft DCO

URN 20.119

Trinity House acknowledge that this question was directed at the applicant.

However, in noting the applicant's response to the Examining Authority to this question at Deadline 4, Trinity House would confirm that it agrees with the applicant's proposed revised wording to Article 38(1) of the Development Consent Order in respect of the Arbitration clause, noting that the Arbitration provision does not overrule Trinity House's saving provision (at Article 41). Trinity House welcomes this clarification accordingly.

Please address all correspondence regarding this matter to myself at russell.dunham@thls.org and to Mr Steve Vanstone at navigation.directorate@thls.org

Yours faithfully
