Dear Ms Evans

Thank you for your email and please accept our apologies for not being able to reply before.

The numbers from the document sent to you on the 5th April confirm that LIG is representing in total 57 clients of which 36 are NFU members. So there are 36 NFU members who are all individually being represented by a land agent who are part of LIG.

I hope that will be satisfactory for the Examiners.

Kind regards

Louise

Dear Ms Staples, Ms Kenny

In hearing action point 1, following the Compulsory Acquisition Hearing on 28 March 2019, the Panel requested NFU/LIG to provide a list of affected persons that you are representing. The list you provided on 5 April 2019 has not been entered into the Examination as you have asked for it to be kept confidential.

Therefore as requested in my email of 9 April below, please can you provide

the number of NFU members; number of NFU members represented by LIG and; the number of LIG clients only. Deadline 7 is today, therefore it would be appreciated if this information could be provided today.
