Subject: Re: Notification of Consultation on Transboundary Matters under the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 relating to Hornsea Three Offshore Wind Farm

Dear Ms King,

Following our previous email (1. August 2017), we would like to confirm by the present email that France wishes to participate to the consultation concerning the Hornsea Project Three.

The Espoo Focal Point represents the State of France on Transboundary consultation and will centralise the exchanges on the above mentioned project.

Best regards,

David Catot on behalf of the French Focal Point
