---

Please be advised that we are happy with the pre-application consultation process as detailed in your letter dated 14<sup>th</sup> May 2018.

We are aware that you are not asking for comments at this stage but if we are formally consulted on this proposal we can confirm that a response will not be lodged due to the considerable distance between our District Boundary and the proposed development.

**Julie Havard**  
Support Team Leader - Development Management
