**HORNSEA PROJECT THREE OFFSHORE WIND FARM (EN010080)**

**Notification of wish to attend an Accompanied Site Inspection (ASI).**

**Deadline 1, November 7<sup>th</sup> 2018**

Dear Sirs

Swardeston Parish Council wishes to be represented at an Accompanied Site Inspection on the site of the proposed HVDC Converter/HVAC Substation adjacent to the B1113 in Swardeston. We feel this visit is vital to allow the Inspectors to appreciate the access and landscaping issues pertaining to this site and the need to avoid the removal of mature trees and hedgerows wherever possible.

Yours faithfully

Derek Barber (Chair)

Swardeston Parish Council
