Dear Sir/Madam,

Great Yarmouth Borough Council Written Representation (WR) – In relation to application by Orstead Hornsea Project Three (UK) Ltd for an Order Granting Development Consent for the Hornsea Project Three Offshore Wind Farm

Thank you for notifying Great Yarmouth Borough Council, an 'Interested Party' in relation to the examination of the Hornsea Project Three Offshore Wind Farm. This letter has been written at officer level, in response to your letter dated 9 October 2018.

The Council does not seek to provide a Written Representation (WR) for the examination of the above project, nor provide any additional comments beyond our S.56 consultation representation, submitted on the 20 July 2018. Issues that were raised during the previous consultation stage have since been satisfactorily considered through a Statement of Common Ground (SoCG) between the Council and Orstead, dated October 2018.

If you wish to discuss these matters in any further detail, please do not hesitate to contact me.

Yours faithfully,

Mr K Balls
