

Hornsea Project Three Offshore Wind Farm

Agenda for Issue Specific Hearing 4: Other onshore matters

Date: Friday 7 December 2018
Time: 09:30
Venue: Mercure Norwich Hotel
121-131 Boundary Road
Norwich NR3 2BA

Attendees

The ExA would find it helpful if the following parties could attend this hearing. However, this does not indicate that other parties will not be able to contribute. All interested parties are invited to attend and make oral representations on the matters set out in the agenda, subject to ExA's ability to control the hearing.

- Orsted Hornsea Project Three (UK) Ltd (the Applicant)
- Norfolk County Council
- North Norfolk District Council
- Broadland District Council
- South Norfolk Council
- Historic England
- Highways England
- Oulton Parish Council
- Swardston Parish Council
- National Farmers Union

The ExA has sought to provide sufficient detail to assist the parties to prepare for the hearing. However, the details set out below are indicative and the ExA may find it necessary to include additional agenda items or to amend the order in which the items are dealt with.

Agenda

1. Welcome, introductions and arrangements for the hearing

2. Purpose of the Issue Specific Hearing

3. Transport and highway safety

- a) Discussion of the Applicant's Deadline 1 submission – Appendix 32 Transport Assessment Clarifications
- b) Predicted construction traffic flows, including those road links where no baseline data is available

- c) Highways implications in relation to proposed main construction compound at Oulton Street, including proposed mitigation and cumulative impacts with Norfolk Vanguard
- d) Matters relating to the outline Construction Traffic Management Plan, including the routing and timing of HGV movements
- e) Permanent vehicular access to the onshore HVAC booster station, including the possible need for works to land outside of the Order limits, as suggested by Norfolk County Council.
- f) Other highway issues where discussions are continuing between the applicant and both Norfolk County Council and Highways England

4. Historic Environment

- a) Effects on the setting of heritage assets in the vicinity of the proposed HVAC substation/HVAC converter station, including design and mitigation matters

5. Noise and other impacts during construction

- a) The effects, mitigation and monitoring of operational noise, including the identification of any distinctive characteristics of noise
- b) Other matters relating to the outline Code of Construction Practice (including continuous working and core working hours)

6. Land use and recreation

- a) Updated on discussions between applicant and farming interests

7. Socio-Economic

- a) Localised effects on tourism within North Norfolk District, including mitigation of any effects
- b) The weight that can be given to any socio-economic benefits given the uncertainty over the location of any onshore support facilities, including consideration of the proposed Skills and Employment Plan

8. Landscape and visual impacts

- a) Hedgerow/tree removal and replanting, including future maintenance and the implications of phasing

9. Any other matters

10. Next steps

11. Closing

The hearing will close by 13:00
