1. Introduction

This document provides a guide to Ørsted Hornsea Project Three Development Consent Order application. The application was submitted to the Planning Inspectorate on 14th May 2018 and accepted for examination by the Examining Authority on 11th June 2018.

Since submission and through the examination process it is anticipated that some of the original application documents, in particular “live” documents such as the Development Consent Order and Outline Code of Construction Practice will be revised and new documents issued.

This guide charts the submission of these documents to the Planning Inspectorate through the examination process.

This is a live document and will be updated throughout the examination period and submitted, when updated, for each deadline.

2. Master Document List

The master document list table commences on the next page and provides a full list of all the documents submitted to date indicating either the latest revision (if applicable) or when a new document was submitted.

Blue highlighted documents being the latest versions / **grey shaded documents being those now superseded.**

For ease of navigation these documents are grouped by volumes (consistent with the groupings applied at the point of submission) as follows:

| Volume | This volume... |
|---|--|
| Volume 1 - Application Form | provides details of the specific application information required by the Planning Inspectorate. |
| Volume 2 - Plans and Drawings | contains the plans which show where we propose to undertake the work. |
| Volume 3 - Development Consent Order | outlines the legal powers we are seeking from the Government to build Hornsea Project Three. |
| Volume 4 - Compulsory Acquisition | provides evidence of why we may require legal powers of compulsory acquisition. |
| Volume 5 - Reports | provides details of the pre-application consultation that we have undertaken on the project and Report to Inform Appropriate Assessment under Habitat Regulations. |
| Volume 6 - Environmental Statement | shows how we assessed the potential impact on the environment. |
| Volume 7 - Additional Application Information | includes additional documents produced for the application submission. |
| Volume 8 - Other Documents | includes additional documents produced for the application submission including “live” documents such as Outline management documents. |
| Volume 9 - Examination Submissions | is for documents submitted to the Planning Inspectorate through the examination process. |
