14 December 2018

Dear Sirs

HORNSEA PROJECT THREE OFFSHORE WIND FARM DCO
OUR CLIENTS: SPIRIT ENERGY NORTH SEA LIMITED; SPIRIT ENERGY RESOURCES LIMITED; SPIRIT ENERGY NEDERLAND B.V.

We are instructed by our clients Spirit Energy North Sea Limited (UK Company Number: 04594558), Spirit Energy Resources Limited (UK Company Number: 02855151) and Spirit Energy Nederland B.V. (Company Number: 34081068) operating together under the 'Spirit Energy' trading name in respect of the above Project.

Relevant representations were submitted on behalf of the three Spirit entities in relation to the Project on 20 July 2018. These representations were in near identical terms but three separate representations were submitted in case any differences in terms of the impacts of the Project on each of the three entities became apparent during the Examination process.

A single full written representation was submitted on behalf of the three entities on 7 November 2018 as the impacts of the Project were considered similar across the assets owned and operations undertaken by each of the entities. For the avoidance of doubt, our clients remain of this opinion and, accordingly, one Post-Issue Specific Hearing 1 Submission with appendices has been prepared and it is submitted on behalf of all three Spirit Energy Interested Parties.

Supporting Documents

Please note that within the appendices sent with this Post-Issue Specific Hearing Submission, two appendices will require to follow at the start of next week:

- Appendix B – Markham Treaty (UK Version – May 1992);
- Appendix ZC – Declaration – Chiswick, Grove and J6A Safety Cases (a signed version has been submitted, a sworn version will follow).

If you require any further information in relation to the submission and appendices submitted on behalf of Spirit Energy, please contact Victoria Lane in our Edinburgh office: DDI: 0131 656 0127 or at victoria.lane@brodies.com.

Yours faithfully
