Dear Sirs

HORNSEA PROJECT THREE OFFSHORE WINDFARM – COMPULSORY ACQUISITION HEARING

We refer to agenda item 5 c) of the Compulsory Acquisition Hearing of the 31 January 2019 as agent for the landowner Mr M Kemp of Thickthorn Farm, Norwich Road, Hethersett, Norwich, NR9 3AU.

While Mr Kemp is opposed to the cable route for the project crossing his land if by the use of compulsory powers he is forced to accept the cable route on a without prejudice basis he would prefer the suggested temporary access from Norwich Road to the construction strip from the west to be used (i.e. the shorter route) and that the suggested access from the east be disregarded and not used to access the construction strip.

We trust this is the information you require

Yours faithfully
