I am not happy with the prospect of so much traffic passing our village of Cawston. I live at [REDACTED] on the [REDACTED]. I have one son who has to walk over the railway bridge which has no footpath to catch his school bus. I consider this would be dangerous. My younger son is at [REDACTED] and we walk the route over the bridge. Often the route through the village is difficult because of parked vehicles. I consider Cawston is not a good route for all this traffic. Thanks Claire Gray
