Dear Sir

Application by Orsted Hornsea Project Three (UK) Ltd ("Orsted") for an Order granting Development Consent for the Proposed Hornsea Project Three Offshore Wind Farm ("Order")

We act for Shell UK Limited ("Our Client") who is the owner and operator of nine pipelines which will potentially be affected by the design, construction, maintenance and operation of the works to be authorised by the Order.

Our Client submitted a relevant representation on the 3rd of January 2018, requesting that the affected pipelines be avoided if possible, or that a crossing and proximity agreement be entered in to before any of the works to be authorised by the Order are commenced within a specified vicinity of the affected pipelines ("Representation").

Following submission of the Representation, the Our Client and Orsted entered a position statement dated January 2019, which set out the intended way forward and which was submitted to the Planning Inspectorate.

We are now writing to confirm that Our Client and Orsted have entered into an Agreement dated 2 April 2019, which Our Client is satisfied will ensure appropriate protection for its affected pipelines from the potential impacts of the construction, maintenance and operation of the works to be authorised by the Order.

Yours faithfully,

Eversheds Sutherland (International) LLP
