Dear Sir/Madam,

Thank you for the opportunity to comment on the late representations provided by the applicant and the RSPB relating to offshore ornithology. The following response is submitted on behalf of Anglian Water.

I would be grateful if you could confirm that you have received this response.

We note that the applicant and the RSPB have provided further information to the Secretary of State relating to ornithological matters.

The ornithological information provided does not appear to raise any issues of relevance to Anglian Water as a water and sewerage company. Therefore Anglian Water has no comments to make in relation to the late submissions provided by the applicant and the RSPB.

Should you have any queries relating to this response please let me know.

Regards,

**Stewart Patience**
