Dear Sir / Madam,

APPLICATION FOR A DEVELOPMENT CONSENT ORDER, THE PROPOSED HORNSEA PROJECT THREE OFFSHORE WIND FARM ORDER (APPLICATION REFERENCE EN010080)

NOTICE UNDER REGULATION 17 OF THE INFRASTRUCTURE PLANNING (ENVIRONMENTAL IMPACT ASSESSMENT) REGULATIONS 2009

Thank you for consulting the Ministry of Defence (MOD) on the above notice under Regulation 17 of the Infrastructure Regulations 2009, notifying the MOD that Orsted Hornsea Project Three (UK) has published further information in relation to its application for a Development Consent Order under the Planning Act 2008 for the Hornsea Project Three Offshore Wind Farm.

Having reviewed the documents provided I can confirm that this does not have any direct implications on our MOD safeguarding requirements and therefore can confirm that the MOD position remains as identified in our last response of 20th July 2018 submitted to the Planning Inspectorate.

I hope this adequately explains our position on the matter. If you require further information or would like to discuss this matter further, please do not hesitate to contact me.

Yours sincerely

Miss Teena Oulaghan
