The Hornsea Three Offshore Wind Farm Order 2020 (the Order)

Paragraph 10 of Part 2 of Schedule 14: Plan for Work of the Steering Group

Orsted Hornsea Project Three (UK) Limited (**Hornsea Three**) is writing to you in relation to the enclosed plan for the work of the Steering Group for the benthic compensation measures required by Schedule 14 of the Order (**Plan of Work**).

Paragraph 10 of Part 2 of Schedule 14 requires the Plan of Work to be submitted to and approved by the Secretary of State prior to commencement of the authorised development.

The Plan of Work must include the details listed in sub-paragraphs (a) to (d) of paragraph 10 relating to terms of reference, membership, scheduling of meetings and timetabling for preparation of Sandbank Implementation Plans and related reporting and review periods, plus the dispute mechanism.

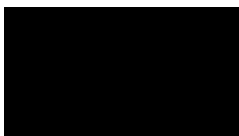

Hornsea Three has prepared the Plan of Work following consultation with the core and advisory members of the Steering Group. The Plan of Work contains the information required by sub-paragraphs (a) to (d) of paragraph 10.

Hornsea Three would be grateful if you could please countersign this letter where indicated below to confirm your organisation's understanding and acceptance of the Plan of Work.

Thereafter, Hornsea Three intends to submit the Plan of Work to the Secretary of State for approval pursuant to paragraph 10, accompanied with the countersigned letter. The letter has been signed in counterpart each of which constitute a duplicate original, but all taken together constitute one letter.

If you have any queries in relation to the Plan of Work or this letter, please do not hesitate to contact Rosalyn Jones (rosjn@orsted.co.uk).

On behalf of Orsted Hornsea Project Three (UK) Limited
