Dear Sirs

Planning Act 2008 (As Amended) - Section 55

Application by Sembcorp Utilities (UK) Limited for an Order granting Development Consent for the Tees CCPP

Adequacy of Consultation Request

Thank you for consulting the North Yorkshire County Council regarding the Adequacy of the Applicant's consultation.

We can confirm that we are satisfied with the level of consultation that the County Council has received. We understand the applicant to have met all statutory requirements.

As a neighbouring Authority we have been consulted to a satisfactory level. At points during the consultation process various County Council service areas have requested that the contact is maintained as the application progresses and County Council input is needed in relation to Highways, Minerals and Waste Management and Ecological matters in particular.

This request remains and we look forward to receiving this as the application progresses.

Yours faithfully

Michael Reynolds
Senior Policy Officer (Infrastructure)
