Dear Wheelabrator Kemsley Case Team,

I can confirm that Natural England is not intending to attend the preliminary meeting or the ISH on 19 February. We have no comment to make on the programme as set out in the ExA's letter of 21 Jan. We are continuing to work constructively with the applicant on their proposals and will be submitting a SoCG for Deadline 1.

Regards,

**We are here to secure a healthy natural environment for people to enjoy, where wildlife is protected and England's traditional landscapes are safeguarded for future generations.**

In an effort to reduce Natural England's carbon footprint, I will, wherever possible, avoid travelling to meetings and attend via audio, video or web conferencing.
