Deadline 2 (18 March 2020)		
Article 2 Interpretation: "Environmental Statement"	Date of submission version of Environmental Statement inserted.	Amended in response to the ExA's question ISH1.
Article 2 Interpretation	The definition of 'works plan' changed to 'works plans' for consistency with article 16.	Amended in response to the ExA's question ISH2.
Article 2(3) Interpretation	The words 'Requirement 14 (Detailed Design Approval) have been inserted before 'of Schedule 2'.	Amended in response to the ExA's question ISH3.
Article 2(4) Interpretation	The words 'Schedule 1 of' have been inserted after 'authorised by'.	Amended in response to the ExA's question ISH4.
Article 4(1) Effect on K3 planning permission	The word 'commence' has been replaced by 'start'.	Amended in response to the ExA's question ISH18 to avoid any confusion between the defined term 'commence' in relation to works, and 'commence' in relation to operational use.
Article 4(2) Effect on K3 planning permission	The words 'the conditions of' have been deleted before 'K3 Sustainable Energy Plant Planning Permission'.	Amended in response to the ExA's question ISH5 to clarify that the whole planning permission will cease to have effect, not just the conditions.
Article 10(6) Authority to survey and investigate the land	The word 'vehicles' has been inserted before 'apparatus'.	Amended in response to the ExA's question ISH8.

Deadline 2 (18 March 2020)		
Article 13(2) and (3) Defence to proceedings in respect of statutory nuisance	The references to section 65 Control of Pollution Act 1974 have been deleted.	Amended in response to the ExA's question ISH10.
Article 16(g) Certification of plans etc	The reference of the WKN parameter plan has been moved from 16(c) to 16(g).	For consistency with the definition in requirement 1 and in response to the ExA's first written questions 1.2.2. Further information is provided in the Applicant's Further Submissions on ISH1 DCO Questions – Deadline 2.
Article 18(1) Procedure for approvals	“The Order” changed to “this Order”.	Amended in response to the ExA's question ISH12.
Schedule 2, Parts 2 & 3 Requirements	Various references to the relevant project or works number have been added throughout to clarify to which work each requirements relates.	Amended in response to the ExA's question ISH18.
Schedule 2 Interpretation	The definition of "commissioning" has been moved to Article 2(1) Interpretation.	Amended in response to the ExA's question ISH19.
Schedule 2 Requirement 2 Commencement of authorised development	The words 'Work No 1 and Work No 2' have been replaced by 'Project K3 and Project WKN'	Amended in response to the ExA's question ISH20.
Schedule 2 Requirement 4(1) – Decommissioning	The word "decides" has been replaced by "notifies the relevant planning authority that it intends to".	Amended in response to the ExA's question ISH22. A requirement to decommission has not been included as cessation of use may be temporary or subject to approval of refurbishment plans. Any physical decommissioning works will in any event be subject to their own assessment under the planning and EIA regimes.

Deadline 2 (18 March 2020)		
Schedule 2 Requirement 6(2) Rail and water transportation strategy	Rail and water transportation strategy definition moved to Requirement 1.	Amended in response to the ExA's question ISH23.
Schedule 2 Requirement 7 Amendments to approved plans	The definition of 'Approved plans' has been moved to Requirements 1 and used in requirements 7 and 9 and elsewhere as appropriate.	Amended in response to the ExA's question ISH24.
Schedule 2 Requirement 11 Trees	Definition of 'approved Landscape Masterplan' moved to Requirement 1 and reference to it in 11(1) has been corrected for clarity.	Amended in response to the ExA's question ISH27.
Schedule 2 Requirement 13 Combined heat and power	A definition of Kemsley Paper Mill has been added to Requirement 1.	Amended in response to the ExA's question ISH28. The definition of the CHP strategy in this requirement has not been moved because the purpose of the requirement is to define the CHP strategy. Therefore a separate definition in requirement would simply refer back to this requirement, making it a circular definition.
Schedule 2 Requirement 14(4) Detailed Design Approval	Duplication of "(4)" deleted. Definition of "WKN parameter plan" moved to requirement 1.	Amended in response to the ExA's question ISH30.
Schedule 2 Requirement 14 Detailed Design Approval – Table 1	The maximum height of Work No 2(j) Administration Office has been corrected to 30m to be consistent with Table 2.3 of the ES.	Amended in response to the ExA's first written questions 1.2.4.
Schedule 2 Requirement 16(4) Implementation and maintenance of landscaping	Reference to the 'annual landscaping maintenance plan' has been corrected to the 'approved landscaping scheme'.	Amended in response to the ExA's question ISH31.
