**Notice under Section 48 of proposed application for a Development Consent Order (DCO) for the Thanet Extension Offshore Wind Farm published in Thanet Extra 15th of November, 2017.**

52 **THANET EXTRA** 15/11/17 [www.kentonline.co.uk](http://www.kentonline.co.uk) To advertise: 0343 256069

**Section 48 Planning Act 2008  
Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009  
THANET EXTENSION OFFSHORE WIND FARM NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER**

Notice is hereby given that Vattenfall Wind Power Ltd (the Applicant) of First Floor, 1 Tudor Street, London, EC4Y 0AF proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned Development Consent Order (the Application).

The Application relates to the construction and operation of an extension to the existing Thanet Offshore Wind Farm off the coast of Thanet, Kent (the Project), to be located approximately 8km offshore (at the closest point). The proposed offshore wind farm will cover an offshore area of approximately 70km<sup>2</sup> and will connect to the 400kV transmission network via underground cables to the National Grid substation at Richborough, Kent. The Applicant will construct its own substation at Richborough Port.

The proposed Development Consent Order will, amongst other things, authorise:

1. Offshore wind turbines and foundations up to 14 wind turbines to provide an installed capacity of up to 340MW;
2. Undersea cables between the wind turbines, one operational meteorological mast, Floating Lidar Device (FLD) and wave buoys (if required) and offshore substation (if required);
3. Up to 4 offshore undersea export cables to transmit electricity from the offshore substation or wind farm array to the shore;
4. A landfall located at Pegwell Bay with onshore transition pits to connect the offshore and onshore cables;
5. Onshore underground cables (either 66kV or 132kV) with jointing pits, extending approximately 2.5km to transmit electricity to a new onshore substation at Richborough Port;
6. An onshore substation at Richborough Port to convert electricity from 66/132kV to 400kV, and up to two underground cables at 400kV to connect the Vattenfall substation to the National Grid substation at the nearby Richborough Energy Park;
7. The permanent and/or temporary compulsory acquisition of land and/or rights for the Project where required;
8. Overriding of easements and other rights over or affecting land for the Project;
9. The application and/or discontinuation of legislation relevant to the Project including inter alia legislation relating to compulsory purchase; and
10. Such ancillary, incidental and consequential provisions, permits or consents as are necessary and/or convenient.

The opening times of those locations listed are at the discretion of those in control of the building and could vary to the times set out in this notice. Calling ahead to make an appointment is recommended.

The organisations and locations providing access to documentations as part of this formal consultation are not in any way affiliated with the Project or Vattenfall and are an independent and impartial party to the consultation process.

The documents, plans and maps relating to the proposed Development Consent Order for the Project will be on display at the above locations and times and available for inspection free of charge from **Monday 27 November 2017 until Friday 12 January 2018**.

The documents can also be downloaded from [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension) free of charge. Due to the size of the documents, a copying charge of £1000 will be made for reproduction of hard copy format of the PER. Further details in relation to the Project can be found on the Applicant's website at [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension).

The PER will be on display and members of the Project team will be available to answer queries at Public Information Days being held by the Applicant at the following locations and times:

The Project is subject to an Environmental Impact Assessment development under Schedule 2 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Accordingly, the Applicant will be making preliminary environmental information available for consultation. Copies of the Preliminary Environmental Information Report (PEIR) may be inspected free of charge at the following locations and during the hours set out below:

**Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009**  
**THANET EXTENSION OFFSHORE WIND FARM NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER**

Notice is hereby given that Vattenfall Wind Power Ltd (the Applicant) of First Floor, 1 Tudor Street, London, EC4A 3DF proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned Development Consent Order (the Application).

The Application relates to the construction and operation of an extension to the existing Thanet Offshore Wind Farm off the coast of Thanet, Kent (the Project), to be located approximately 3km offshore (at the closest point). The proposed offshore wind farm will cover an offshore area of approximately 70km<sup>2</sup> and will connect to the 400kV transmission network via underground cables to the National Grid substation at Richborough, Kent. The Applicant will construct its own substation at Richborough Port.

The proposed Development Consent Order will, amongst other things, authorise:

1. Offshore wind turbines and foundations up to 34 wind turbines to provide an installed capacity of up to 280MW;
2. Undersea cables between the wind turbines, one operational meteorological mast, floating Lidar Device (FLD) and wave buoys if required and offshore substation if required;
3. Up to 4 offshore undersea export cables to transmit electricity from the offshore substation or wind farm array to the shore;
4. A landfall located at Pegwell Bay with onshore transition pits to connect the offshore and onshore cables;
5. Onshore underground cables (either 66kV or 132kV) with joining pits, extending approximately 2.5km to transmit electricity to a new onshore substation at Richborough Port;
6. An onshore substation at Richborough Port to convert electricity from 66/132kV to 400kV, and up to two underground cables at 400kV to connect the Vattenfall substation to the National Grid substation at the nearby Richborough Energy Park;
7. The permanent and/or temporary compulsory acquisition of land and/or rights for the Project where required;
8. Overriding of easements and other rights over or affecting land for the Project;
9. The application and/or discontinuation of legislation relevant to the Project including inter alia legislation relating to compulsory purchase; and
10. Such ancillary, incidental and consequential provisions, permits or consents as are necessary and/or convenient for the Project to be subject to an Environmental Impact Assessment (development under Schedule 2 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2007). Accordingly the Applicant will be making preliminary environmental information available for consultation. Copies of the Preliminary Environmental Information Report (PEIR) may be inspected free of charge at the following locations and during the hours set out below:

LEGAL AND PUBLIC NOTICES

Section 48 Planning Act 2008 Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009

**THANET EXTENSION OFFSHORE WIND FARM NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER**

Notice is hereby given that Vattenfall Wind Power Ltd (the Applicant) of First Floor, 3 Tudor Street, London, EC4Y 0AH proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned Development Consent Order (the Application).

The Application relates to the construction and operation of an extension to the existing Thanet Offshore Wind Farm off the coast of Thanet, Kent (the Project), to be located approximately 5km offshore (at the closest point). The proposed offshore wind farm will cover an offshore area of approximately 30km<sup>2</sup> and will connect to the 400kV transmission network via underground cables to the National Grid substation at Richborough Port. The Applicant will construct its own substation at Richborough Port.

The proposed Development Consent Order will, amongst other things, authorise:

- 1 Offshore wind turbines and foundations (up to 34 wind turbines to provide an installed capacity of up to 340MW);
- 2 Undersea cables between the wind turbines, one operational meteorological mast, Floating Lidar Device (FLD) and wave buoys (if required) and offshore substation (if required);
- 3 Up to 4 offshore undersea export cables to transmit electricity from the offshore substation at wind farm array to the shore;
- 4 A landfall located at Pegwell Bay with onshore transition pits to connect the offshore and onshore cables;
- 5 Onshore underground cables (either 66kV or 132kV) with jointing pits, extending approximately 2.5km to transmit electricity to a new onshore substation at Richborough Port;
- 6 An onshore substation at Richborough Port to convert electricity from 66/132kV to 400kV, and up to two underground cables at 400kV to connect the Vattenfall substation to the National Grid substation at the nearby Richborough Energy Park;
- 7 The permanent and/or temporary compulsory acquisition of land and/or rights for the Project where required;
- 8 Overriding of easements and other rights over or affecting land for the Project;
- 9 The application and/or discontinuation of legislation relevant to the Project including inter alia legislation relating to compulsory purchase; and
- 10 Such ancillary, incidental and consequential provisions, permits or consents as are necessary and/or convenient.

The Project is subject to an Environmental Impact Assessment development under Schedule 2 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Accordingly the Applicant will be making preliminary environmental information available for consultation. Copies of the Preliminary Environmental Information Report (PEIR) may be inspected free of charge at the following locations and during the hours set out below:

The opening times of those locations listed are at the discretion of those in control of the building and could vary to the times set out in this notice. Calling ahead to make an appointment is recommended.

The organisations and locations providing access to documentation as part of this formal consultation are not in any way affiliated with the Project or Vattenfall and are an independent and neutral party to the consultation process.

The documents, plans and maps relating to the proposed Development Consent Order for the Project will be on display at the above locations and times and available for inspection free of charge from **Monday 27 November 2017** until **Friday 12 January 2018**.

The documents can also be downloaded from [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension) free of charge. Due to the size of the documents, a copying charge of £1000 will be made for reproduction of hard copy format of the PEIR. Further details in relation to the Project can be found on the Applicant's website at [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension).

The PEIR will be on display and members of the Project team will be available to answer queries at Public Information Days being held by the Applicant at the following locations and times:

**Section 48 Planning Act 2008**  
**Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009**  
**THANET EXTENSION OFFSHORE WIND FARM NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER**

Vattenfall Wind Power Ltd (the Applicant) of First Floor, 1 Tudor Street, London, EC4Y 3NA proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned Development Consent Order (the Application).

The Application relates to the construction and operation of an extension to the existing Thanet Offshore Wind Farm off the coast of Thanet, Kent (the Project), to be located approximately 9km offshore at the closest point. The proposed offshore wind farm will cover an offshore area of approximately 70km<sup>2</sup> and will connect to the 460kV transmission network via underground cables to the National Grid substation at Richborough, Kent. The Applicant will construct its own substation at Richborough Port.

The proposed Development Consent Order will, amongst other things, authorise:

- 1 Offshore wind turbines and foundations (up to 34 wind turbines) to provide an installed capacity of up to 342MW;
- 2 Undersea cables to connect the wind turbines, one operational meteorological mast, floating lidar device (FLD) and main buses if required and offshore substation (if required);
- 3 Up to 4 offshore umbilical export cables to transmit electricity from the offshore substation or wind farm array to the shore;
- 4 A landfill located at Regard Bay with onshore transmit cables to connect the offshore substation or wind farm array to the shore;
- 5 Onshore underground cables (either 66kV or 132kV) with piling piles, extending approximately 2.5km to transmit electricity to a new onshore substation at Richborough Port;
- 6 An onshore substation at Richborough Port to convert electricity from 66/132kV to 400kV, and up to two underground cables at 400kV to connect the Vattenfall substation to the National Grid substation at the nearby Richborough Energy Park;
- 7 The permanent and/or temporary compulsory acquisition of land and/or rights for the Project where required;
- 8 Overriding of easements and other rights over or affecting land for the Project;
- 9 The application and/or implementation of legislation relevant to the Project (including inter alia legislation relating to compulsory purchase, and
- 10 Such ancillary, incidental and consequential provisions, permits or consents as are necessary and/or convenient.

The Project is subject to an Environmental Impact Assessment development under Schedule 2 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Accordingly, the Applicant will be making preliminary environmental information available for consultation. Copies of the Preliminary Environmental Information Report (PEIR) may be inspected free of charge at the following locations and during the hours set out below.

**THANET EXTENSION OFFSHORE WIND FARM NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER**

Notice is hereby given that Vattenfall Wind Power Ltd (the Applicant) of First Floor, 2 Tudor Street, London, EC4F 3DA proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned Development Consent Order (the Application).

The Application relates to the construction and operation of an extension to the existing Thanet Offshore Wind Farm off the coast of Thanet, Kent (the Project), to be located approximately 8km offshore (at the closest point). The proposed offshore wind farm will cover an offshore area of approximately 10km<sup>2</sup> and will connect to the 400kV transmission network via underground cables to the National Grid substation at Richborough Kent. The Applicant will construct its own substation at Richborough Port.

The proposed Development Consent Order will, amongst other things, authorise:

- Offshore wind turbines and foundations up to 34 wind turbines to provide an installed capacity of up to 340MW;
- Undersea cables between the wind turbines, sea appurtenant meteorological mast, Floating Lifter Device (FLD) and wave buoy (if required and offshore substation (if required));
- Up to 4 offshore undersea export cables to transmit electricity from the offshore substation or wind farm area to the shore;
- A landfall located at Reginald Bay with coast to coast transmission path to connect the offshore and onshore cables;
- Onshore underground cables (either 66kV or 132kV) with jointing pits, extending approximately 2.5km to transmit electricity to a new onshore substation at Richborough Port;
- An onshore substation at Richborough Port to convert electricity from 66/132kV to 400kV and up to two underground cables at 400kV to connect the Vattenfall substation to the National Grid substation at the nearby Richborough Energy Park;
- The permanent and/or temporary acquisition of land and/or rights for the Project where required;
- Construction of waterways and other works over or affecting land for the Project;
- The application and the discharge of legislation relevant to the Project including inter alia legislation relating to construction, offshore, and;
- Such ancillary, incidental and consequential provisions, permits or consents as are necessary and/or convenient. The Project is subject to an Environmental Impact Assessment development under Schedule 2 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Accordingly the Applicant will be making preliminary environmental information available for consultation. Copies of the Preliminary Environmental Information Report (PEIR) may be requested free of charge at the following locations and during the hours set out below.

## Planning

### TOWN PLANNING

#### DEPARTMENT FOR TRANSPORT TOWN AND COUNTRY PLANNING ACT 1990

The Secretary of State gives notice of an Order made under Section 247 of the above Act entitled "The Stopping up of Highway (North West) (No.75) Order 2017" authorising the stopping up of four irregular shaped part widths of Beechtrees comprising footway, four lengths of unnamed footpaths leading off Beechtrees and three associated unnamed footpaths at Skelmersdale, in the Borough of West Lancashire to enable development as permitted by West Lancashire Borough Council, reference 2016/1149/PND. Copies of the Order may be obtained, free of charge, from the Secretary of State, National Transport Casework Team, Tyneside House, Skinnerburn Road, Newcastle Business Park, Newcastle upon Tyne, NE4 7AR or nationalcasework@dtf.gsi.gov.uk (quoting NATTRAN/W/S247/2596) and may be inspected during normal opening hours at West Lancashire Borough Council, 52 Derby Street, Omskirck, Lancashire, L39 2DF.

Any person aggrieved by or desiring to question the validity of or any provision within the Order, on the grounds that it is not within the powers of the above Act or that any requirement or regulation made has not been complied with, may, within 6 weeks of 22 November 2017 apply to the High Court for the suspension or quashing of the Order or of any provision included.

S Zamezadeh, Casework Manager (2912816)

#### NORTH EAST LINCOLNSHIRE BOROUGH COUNCIL TOWN AND COUNTRY PLANNING PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990 (PART II, SECTIONS 69 & 70) DESIGNATION OF 'THE KASBAH' CONSERVATION AREA

NOTICE is hereby given that on the 25th October 2017, North East Lincolnshire Borough Council, under the Planning (Listed Buildings and Conservation Areas) Act 1990 approved the designation of a new conservation area within part of the Part of Grimsby to be known as The Kasbah. The boundary of the conservation area includes the land and buildings contained within a c.2.5ha area bounded by Fish Dock Road (part of), Wharmcliffe Road, Hutton Road and Auckland Road. A copy of the Statement in support of the Designation of a conservation area which includes a map which clearly identifies the conservation area boundary can be accessed online from:

<https://www.nelincs.gov.uk/planning-and-development/heritage-and-conservation/>  
The designation broadly states—

- Any new development should preserve or enhance the character and appearance of the conservation area.
- Planning applications for development which would, in the opinion of the Local Planning Authority affect the character or appearance of the conservation area must be published and representations received as a result of this will then become a material consideration when determining the application.
- The Local Planning Authority has a duty to formulate and publish proposals for the preservation and enhancement of the area.

A copy of the Cabinet Report and Notice of Decision can be accessed online from:  
<https://www.nelincs.gov.uk/meetings/cabinet-20/>  
Angela Blake  
Director of Economy and Growth,  
Grimsby Town Hall, Town Hall Square, Grimsby, North East Lincolnshire, DN31 1HU.  
Dated 22 November 2017 (2912814)

LONDON BOROUGH OF NEWHAM  
TOWN AND COUNTRY PLANNING ACT 1990  
WARMINGTON STREET, PLAISTOW, LONDON, E13  
THE LONDON BOROUGH OF NEWHAM hereby gives notice that it proposes to make an order under section 247 of the above Act to authorise the stopping up of highway in the vicinity of Warmington Street, London E13.

IF THE ORDER IS MADE, the stopping up will be authorised in order to enable the proposed development described in the schedule to this notice to be carried out. A planning application, reference no. 16/03025/FUL, has been submitted to the London Borough of under Part III of the Town and Country Planning Act, 1990.

A COPY OF THE DRAFT ORDER AND RELEVANT DRAWING MAY BE INSPECTED at all reasonable hours during 28 days commencing on 22nd November, 2017 at Newham Town Hall, Barking Road, London, E8 2RP and Plaistow Library, 79 North Street, London E13 9HL and may be obtained free of charge from the, Director of Legal and Governance by phoning 0203 373 9271 or by email to [oluwola.olukoshi@onesource.co.uk](mailto:oluwola.olukoshi@onesource.co.uk) quoting reference LE/02/050/NEW/012952.

ANY PERSON MAY OBJECT to the making of the proposed order within the period of 28 days commencing on 22nd November, 2017 by notice to the Director of Legal and Governance, OneSource, Newham Dockside, 1000 Dockside Road, London, E16 2QU quoting above reference and making communications "for the attention of Oluwola Olukoshi"

In preparing an objection it should be borne in mind that the substance of it may be imparted to other persons who may be affected by it and that those persons may wish to communicate with the objector about it.

Daniel Fenwick, Director of Legal and Governance  
Dated: 22nd November, 2017

THE SCHEDULE  
Redevelopment of the site including erection of a part 3, part 4 storey building to provide 9 residential dwellings. (2912815)

#### THANET EXTENSION OFFSHORE WIND FARM SECTION 48 PLANNING ACT 2008, REGULATION 4 INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2008 NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER

Notice is hereby given that Vattenfall Wind Power Ltd (the Applicant) of First Floor, 1 Tudor Street, London, EC4Y 0AH proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned Development Consent Order (the Application).

The Application relates to the construction and operation of an extension to the existing Thanet Offshore Wind Farm off the coast of Thanet, Kent (the Project), to be located approximately 8km offshore (at the closest point). The proposed offshore wind farm will cover an offshore area of approximately 70 km<sup>2</sup> and will connect to the 400kV transmission network via underground cables to the National Grid substation at Richborough, Kent. The Applicant will construct its own substation at Richborough Port.

The proposed Development Consent Order will, amongst other things, authorise:

- 1 Offshore wind turbines and foundations (up to 34 wind turbines to provide an installed capacity of up to 340 MW);
- 2 Undersea cables between the wind turbines, one operational meteorological mast, Floating Lidar Device (FLD) and wave buoys (if required) and offshore substation (if required);
- 3 Up to 4 offshore undersea export cables to transmit electricity from the offshore substation or wind farm array to the shore;
- 4 A landfall located at Pegwell Bay with onshore transition pits to connect the offshore and onshore cables;
- 5 Onshore underground cables (either 66kV or 132kV) with jointing pits, extending approximately 2.5km to transmit electricity to a new onshore substation at Richborough Port;
- 6 An onshore substation at Richborough Port to convert electricity from 66/132kV to 400kV, and up to two underground cables at 400kV to connect the Vattenfall substation to the National Grid substation at the nearby Richborough Energy Park;
- 7 The permanent and/or temporary compulsory acquisition of land and/or rights for the Project where required.

## ENVIRONMENT &amp; INFRASTRUCTURE

8 Overriding of easements and other rights over or affecting land for the Project;

9 The application and/or discontinuation of legislation relevant to the Project including inter alia legislation relating to compulsory purchase; and

10 Such ancillary, incidental and consequential provisions, permits or consents as are necessary and/or convenient.

The Project is subject to an Environmental Impact Assessment development under Schedule 2 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Accordingly, the Applicant will be making preliminary environmental information available for consultation. Copies of the Preliminary Environmental Information Report (PEIR) may be inspected free of charge at the following locations and during the hours set out below:

**Notice under Section 48 of proposed application for a Development Consent Order (DCO) for the Thanet Extension Offshore Wind Farm published in The Times 23rd of November, 2017.**

Legal Notices

*The Times 23/11/2017*

**Section 48 Planning Act 2008  
Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009  
THANET EXTENSION OFFSHORE WIND FARM NOTICE PUBLICISING  
A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER**

Notice is hereby given that Vattenfall Wind Power Ltd (the Applicant) of First Floor, 1 Tudor Street, London, EC4Y 0AH proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned Development Consent Order (the Application).

The Application relates to the construction and operation of an extension to the existing Thanet Offshore Wind Farm off the coast of Thanet. Part (the Project) to be located approximately 5km offshore (at the closest point). The proposed offshore wind farm will cover an offshore area of approximately 70km<sup>2</sup> and will connect to the 400kV transmission network via underground cables to the National Grid substation at Richborough, Kent. The Applicant will construct its own substation at Richborough Port.

- The proposed Development Consent Order will, amongst other things, authorise:
1. Offshore wind turbines and foundations up to 34 wind turbines to provide an installed capacity of up to 340MW;
  2. Undersea cables between the wind turbines, one operational meteorological mast, Floating Lidar Device (FLDI) and wave buoys (if required) and offshore substation (if required);
  3. Up to 4 offshore undersea export cables to transmit electricity from the offshore substation or wind farm away to the shore;
  4. A landfall located at Ragwell Bay with onshore transition pits to connect the offshore and onshore cables;
  5. Onshore underground cables (either 69kV or 132kV) with joining pits, extending approximately 2.5km to transmit electricity to a new onshore substation at Richborough Port;
  6. An onshore substation at Richborough Port to convert electricity from 69/132kV to 400kV, and up to two underground cables at 400kV to connect the Vattenfall substation to the National Grid substation at the nearby Richborough Energy Park;
  7. The permanent and/or temporary compulsory acquisition of land and/or rights for the Project where required;
  8. Overriding of easements and other rights over or affecting land for the Project;
  9. The application and/or discontinuation of legislation relevant to the Project including inter alia legislation relating to compulsory purchase; and
  10. Such ancillary, incidental and consequential provisions, permits or consents as are necessary and/or convenient.
- The Project is subject to an Environmental Impact Assessment development under Schedule 2 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Accordingly, the Applicant will be making preliminary environmental information available for consultation. Copies of the Preliminary Environmental Information Report (PEIR) may be inspected free of charge at the following locations and during the hours set out below:

The opening times of those locations listed are at the discretion of those in control of the building and could vary to the times set out in this notice. Calling ahead to make an appointment is recommended. The organisations and locations providing access to documentation as part of this formal consultation are not in any way affiliated with the Project or Vattenfall and are an independent and neutral party to the consultation process.

The documents, plans and maps relating to the proposed Development Consent Order for the Project will be on display at the above locations and available for inspection free of charge from **Monday 27 November 2017 until Friday 12 January 2018**.

The documents can also be downloaded from [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension) free of charge. Due to the size of the documents, a copying charge of £1000 will be made for reproduction of hard copy format of the PEIR. Further details in relation to the Project can be found on the Applicant's website at [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension). The PEIR will be on display and members of the Project team will be available to answer queries at Public Information Days being held by the Applicant at the following locations and times:

PUBLIC NOTICE 23

**Section 48 Planning Act 2008**  
**Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009**  
**THANET EXTENSION OFFSHORE WIND FARM NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER**

Notice is hereby given that Vattenfall Wind Power Ltd (the Applicant) of First Floor, 1 Tudor Street, London, EC4Y 0AH proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned Development Consent Order (the Application).

The Application relates to the construction and operation of an extension to the existing Thanet Offshore Wind Farm off the coast of Thanet, Kent (the Project), to be located approximately 8km offshore (at the closest point). The proposed offshore wind farm will cover an offshore area of approximately 70km<sup>2</sup> and will connect to the 400kV transmission network via underground cables to the National Grid substation at Richborough, Kent. The Applicant will construct its own substation at Richborough Port.

The proposed Development Consent Order will, amongst other things, authorise:

1. Offshore wind turbines and foundations (up to 3.6 wind turbines to provide an installed capacity of up to 3.60MW);
2. Undersea cables between the wind turbines, one operational meteorological mast, Floating Lidar Device (FLD) and wave buoys (if required) and offshore substation (if required);
3. Up to 4 offshore undersea export cables to transmit electricity from the offshore substation or wind farm array to the shore;
4. A landfall located at Pegwell Bay with onshore transition pits to connect the offshore and onshore cables;
5. Onshore underground cables (either 66kV or 132kV) with jointing pits, extending approximately 2.5km to transmit electricity to a new onshore substation at Richborough Port;
6. An onshore substation at Richborough Port to convert electricity from 66/132kV to 400kV, and up to two underground cables at 400kV to connect the Vattenfall substation to the National Grid substation at the nearby Richborough Energy Park;
7. The permanent and/or temporary compulsory acquisition of land and/or rights for the Project where required;
8. Overriding of easements and other rights over or affecting land for the Project;
9. The application and/or discontinuation of legislation relevant to the Project including inter alia legislation relating to compulsory purchase; and
10. Such ancillary, incidental and consequential provisions, permits or consents as are necessary and/or convenient.

The Project is subject to an Environmental Impact Assessment development under Schedule 2 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Accordingly, the Applicant will be making preliminary environmental information available for consultation. Copies of the Preliminary Environmental Information Report (PEIR) may be inspected free of charge at the following locations and during the hours set out below.

The opening times of those locations listed are at the discretion of those in control of the building and could vary to the times set out in this notice. Calling ahead to make an appointment is recommended.

The organisations and locations providing access to documentation as part of this formal consultation are not in any way affiliated with the Project or Vattenfall and are an independent and neutral party to the consultation process.

The documents, plans and maps relating to the proposed Development Consent Order for the Project will be on display at the above locations and times and available for inspection free of charge from **Monday 27 November 2017 until Friday 12 January 2018**.

The documents can also be downloaded from [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension) free of charge. Due to the size of the documents, a copying charge of £1000 will be made for reproduction of hard copy format of the PEIR. Further details in relation to the Project can be found on the Applicant's website at [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension).

The PEIR will be on display and members of the Project team will be available to answer queries at Public Information Days being held by the Applicant at the following locations and times:

## THANET EXTENSION OFFSHORE WIND FARM NOTICE PUBLICISING A PROPOSED APPLICATION FOR A DEVELOPMENT CONSENT ORDER

Notice is hereby given that Vattenfall Wind Power Ltd (the Applicant) of First Floor, 1 Tador Street, London, EC4Y 0AH proposes to apply to the Secretary of State under Section 37 of the Planning Act 2008 for the above-mentioned Development Consent Order (the Application).

The Application relates to the construction and operation of an extension to the existing Thanet Offshore Wind Farm off the coast of Thanet, Kent (the Project), to be located approximately 8km offshore (at the closest point). The proposed offshore wind farm will cover an offshore area of approximately 70km<sup>2</sup> and will connect to the 400kV transmission network via underground cables to the onshore substation at Richborough Port. The Applicant will construct its own substation at Richborough Port.

The proposed Development Consent Order will, amongst other things, authorise:

1. Offshore wind turbines and foundations (up to 24 wind turbines) to provide an installed capacity of up to 340MW;
2. Undersea cables between the wind turbines, one operational meteorological mast, Floating Lidar Device (FLD) and wave buoys (if required) and offshore substation (if required);
3. Up to 4 offshore undersea export cables to transmit electricity from the offshore substation or wind farm array to the shore;
4. A landfall located at Pegwell Bay with offshore transfer pits to connect the offshore and onshore cables;
5. Onshore underground cables (either 66kV or 132kV) with joining pits, extending approximately 2.5km to transmit electricity to a new onshore substation at Richborough Port;
6. An onshore substation at Richborough Port to convert electricity from 66/132kV to 400kV and up to two underground cables at 400kV to connect the Vattenfall substation to the National Grid substation at the nearby Richborough Energy Park;
7. The permanent and/or temporary compulsory acquisition of land and/or rights for the Project where required;
8. Overriding of easements and other rights over or affecting land for the Project;
9. The application and/or discontinuance of legislation relevant to the Project including inter alia legislation relating to compulsory purchase; and
10. Such ancillary, incidental and consequential provisions, permits or consents as are necessary and/or convenient.

The Project is subject to an Environmental Impact Assessment development under Schedule 2 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. Accordingly, the Applicant will be making preliminary environmental information available for consultation. Copies of the Preliminary Environmental Information Report (PEIR) may be inspected free of charge at the following locations and during the hours set out below:

The opening times of those locations listed are at the discretion of those in control of the building and may vary to the times set out in this notice. Calling ahead to make an appointment is recommended.

The organisations and locations providing access to documentation as part of this formal consultation are not in any way affiliated with the Project or Vattenfall and are an independent and neutral party to the consultation process.

The documents, plans and maps relating to the proposed Development Consent Order for the Project will be on display at the above locations and times and available for inspection free of charge from **Monday 27 November 2017 until Friday 12 January 2018**.

The documents can also be downloaded from [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension) free of charge. Due to the size of the documents, a copying charge of £1000 will be made for reproduction of hard copy format of the PEIR. Further details in relation to the Project can be found on the Applicant's website at [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension).

The PEIR will be on display and members of the Project team will be available to appear in person at Public Information Days, being held by the Applicant at the following locations and times:

**Local pop-up events during formal consultation**

We would like to ensure that as wide a range of views as possible are considered in the consultation events. Several bespoke events have been organised, and in addition we are going to have a small presence at the following venues, to speak to people, discuss the project, and encourage wider participation:

<p><b>Innovation House (Reception Area)</b> Discovery Park, Ramsgate Road, Sandwich, CT13 9FF 12th December 2017 10am-2.30pm</p> <p><b>The Co-op</b> 27 Park Street, Deal, CT14 6AQ 13th December 2017 10am-5pm</p> <p><b>Barnstaple Park</b> Sandwich Road, Deal, CT14 0BF 14th December 2017 10am-5pm</p> <p><b>The Co-op</b> 76-80 Station Road, Washington, CT17 6RA. 18th December 2017 10am-5pm</p>	<p><b>The Co-op</b> Moat Side Lane, Sandwich, CT13 9AL 5th January 2018 10am-5pm</p> <p><b>The Community Hub (next to Chain's Accessories)</b> Westwood Cross Skipping Centre, 23 Margate Rd, Broadstairs, CT10 2BF 7th January 2018 10am-5pm</p> <p><b>Wilkes</b> 21-31 York St, Ramsgate, CT11 9DS 8th January 2018 10am-5pm</p> <p><b>Tesco Metro</b> 25 High Street, Broadstairs, CT10 1LP 8th January 2018 10am-5pm</p>
---	--

**Have your say**

Any responses or other representations in respect of the Project should be sent to the Applicant by one of the following methods:

Website:	<a href="http://www.vattenfall.co.uk/thanetextension">www.vattenfall.co.uk/thanetextension</a>
Email:	<a href="mailto:info@thanetextension.com">info@thanetextension.com</a>
Tel:	Julia Drew-Murphy on +44 03000 908 3061
Post:	FREEPOST: Vattenfall TEOW Project

Any response or representation in respect of the proposed Development Consent Order MUST be received by the Applicant on or before **5pm on Friday 12 January 2018** (to be made in writing, set state the grounds of the response or representation and (iii) indicate who is making the response or representation, and (iv) give an address to which correspondence relating to the response or representation may be sent. Responses and other representations will be made public; however comments will not be attributed to individuals.

**Notice under Section 47(6) of proposed application for a Development Consent Order (DCO) for the Thanet Extension Offshore Wind Farm published in Isle of Thanet Gazette 10<sup>th</sup> November, 2017.**

THG-ED1-S2

Gazette, Friday, November 10, 2017 39

**Section 47(6) Planning Act 2008**

**THANET EXTENSION OFFSHORE WIND FARM  
NOTICE OF DEPOSIT – STATEMENT OF COMMUNITY CONSULTATION**

Vattenfall Wind Power Ltd (the **Applicant**) has placed on deposit (free of charge) at the locations listed below a Statement of Community Consultation (**SoCC**) in accordance with Section 47(6) of the Planning Act 2008 (the **Act**). This is for the construction and operation of a 340MW extension to the existing Thanet offshore wind farm off the coast of Thanet, Kent (the **Project**), to be located approximately 8km offshore (at the closest point). The SoCC explains how the Applicant will consult on the Project with the local community, residents, businesses and organisations in the area. As the Project is a Nationally Significant Infrastructure Project, the Applicant will apply to the Planning Inspectorate for a Development Consent Order (**DCO**) under the requirements of the Planning Act 2008.

The Applicant is required to consult with local communities before the application is submitted to the Planning Inspectorate. The Applicant is also required to produce a Consultation Report detailing how the public's views have been taken into consideration and how the consultation requirements of the Planning Act 2008 have been complied with.

The Project is an Environmental Impact Assessment (**EIA**) development and so the Applicant will prepare an Environmental Statement to accompany the application to the Planning Inspectorate. Preliminary Environmental Information will be made available for people to inspect at the locations listed below, as well as at [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension)

Where the SoCC can be viewed:

Copies of the Project Booklet and freepost feedback forms can also be found at these locations. The SoCC is also available on the Project website at [www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension)

- The organisations and locations providing access to documentation as part of the formal consultation are not in any way affiliated with the Project or Vattenfall and are an independent and neutral party to the consultation process; and
- The opening times of those locations referred to above are at the discretion of those in control of the building and could vary to the times set out in this SoCC.

**Have your say**

Details about the formal consultation and how to get involved are set out in the SoCC. Whilst your views are welcomed throughout the development of the Project, responses should be received from the start of the consultation under Section 47 on 27th November 2017 to the end of the consultation period on 12th January 2018. All feedback provided during the consultation period will be considered and taken into account. In response to the statutory consultation, you can submit your views in a number of ways.

You can use one of the following methods to contact us:  
[www.vattenfall.co.uk/thanetextension](http://www.vattenfall.co.uk/thanetextension)  
[info@thanetextension.com](mailto:info@thanetextension.com)  
07817 944359  
FREEPOST: Vattenfall TEOW Project  
In addition, you can provide your feedback via questionnaires at local drop in events, freepost feedback forms, comment books and on our website.
