

GoBe VATTENFALL

THANET EXTENSION OFFSHORE WIND FARM

Extinguishment of Public
Rights of Navigation Plan

Document reference: 2.13
APFP Regulation: 5(2)(k)

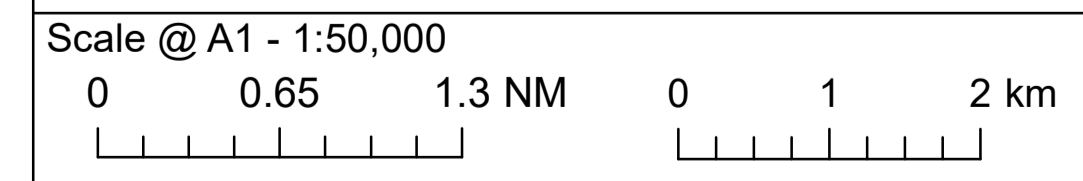

Legend

- Order limits
- Area of Public Rights of Navigation to be Extinguished

NOTE:
The hatched area is the area within which wind turbine generators, the offshore substation and the meteorological mast may be placed, which will benefit from the power under Article 15 of the Development Consent Order to extinguish the public right of navigation in relation to the water area(s) occupied by these structures.
