Subject: Port of Tilbury London Limited (PoTLL) request to participate in Thanet Extension Examination [PM-AC.FID2941341]

Dear Sirs,

My client, PoTLL is not yet registered as an IP in the Thanet Extension Offshore Windfarm DCO Examination but requests permission to participate. PoTLL has concerns in respect of Marine, Shipping, Navigation and Safety Issues and would appreciate it if the ExA exercises its discretion to allow it to participate going forward.

PoTLL wishes to be heard at the ISH scheduled for 12 December 2018 in respect of Marine, Shipping, Navigation and Safety Issues. PoTLL considers that point 2 of the agenda: *"Effects on Ports, Harbours, Channels and Related Facilities"* would be the most pertinent to its interests and wishes to be given an opportunity to respond to the ExA's questions 2 (a)-(f). The Port of Tilbury is located in the Thames Estuary and it will therefore be impacted by the Thanet Extension OWF.

If permitted, PoTLL also wishes to make a Written Representation for Deadline 1 and to be included in the Examination going forward.

Please kindly confirm that my client will be granted permission to participate in the Examination. Please do not hesitate to contact me should you have any questions.

Kind regards,

Matthew Carpenter
