Table 1: Requirements needing approval.....	4
---	---

1 Requirements need approval

- 1 This table sets out the approving authorities and named (required) consultees as set out in the revised draft DCO submitted at Deadline 2 (Appendix 12). Where the approving authority is described as the ‘relevant local planning authority’ in the DCO, an assumption on the likely relevant councils has been identified.

Table 1: Requirements needing approval

DCO requirement	Approving authority	Required consultee
11 – Access Management Strategy	Relevant local planning authority (Thanet District Council (TDC))	
12 – Onshore substation landscaping	Relevant local planning authority (Dover District Council (DDC))	
14 – Highways accesses	Relevant highways authority (Kent County Council (KCC))	
15 – Construction Environmental Management Plan	Relevant local planning authority (TDC and DDC)	
16 – Code of Construction Practice	Relevant local planning authority (TDC and DDC)	
17 – Temporary fencing and other means of enclosure	Relevant local planning authority (TDC and DDC)	
18 – Onshore substation surface water and drainage management plan	Relevant local planning authority (DDC)	

DCO requirement	Approving authority	Required consultee
19 – Contaminated land and groundwater plan	Relevant local planning authority (TDC and DDC)	Environment Agency
20 – Construction noise and vibration management plan	Relevant local planning authority (TDC and DDC)	
21 – Construction Traffic Management Plan	Relevant highway authority (KCC)	
22 – Archaeological written scheme of investigation	Relevant local planning authority (TDC and DDC)	Kent County Council, Historic England
23 – Landscape and Ecological Mitigation Plan	Relevant local planning authority (TDC and DDC)	Natural England
25 – Control of noise during operational phase	Relevant local planning authority (DDC)	
26 – Onshore decommissioning	Relevant local planning authority (TDC and DDC)
