Subject: Deadline 3 - 5th March - Environment Agency

Dear Kate Mignano

Action points from February 2019 hearing.

This is to advise that having reviewed the actions points from the February hearings we note that we did not have any actions.

Statement of Common Ground – Environment Agency and the Applicant

We have agreed the statement of common ground. The applicant will be submitting this in due course.

Saltmarsh Mitigation Plan

Natural England and Environment Agency were both consulted on the Saltmarsh Mitigation Plan. We have discussed the plan with Natural England, who will be providing the formal response, which also captures our concerns.

If you have any queries, please do not hesitate to contact me.

Kind Regards,

Jennifer Wilson
