Hi [REDACTED]

Just to check, that would be the TDC office address, not Thanet Gateway Plus?

Thanks

Hi Daniel, it would be the Cecil Street address for the storage for the documents then.

Thanks

Hi [REDACTED]

Apologies for the delay in getting back to you on this. I've asked our lawyers and their view is that they would need to be held for a minimum of 10 years but not in perpetuity.

In that case would it be the Thanet Gateway Plus address where the documents would be stored?

Many thanks

Dan

Hi Dan, that would be fine, it would be held at the Thanet Gateway Plus building (next to TDC Offices), Cecil St, Margate CT9 1RE. We can make arrangements for them to be held here initially, is it in perpetuity? If so that the copy would be held longer term in the main offices (Cecil St, Margate CT9 1XZ).

Hi [REDACTED]

One of our actions from the recent Thanet Extension hearings was to identify where hard copies of the Book of Reference and certified plans will be stored for inspection, as required in the DCO. We were specifically tasked with liaising with TDC and KCC on this.

Can you confirm if it is acceptable to store these documents (assuming consent is granted) for inspection at the council offices, and for the TDC office to be named as such in the DCO?

Kind regards

Dan
