Additional Submission

I am in receipt of your email of 28 May 2019 requesting consideration of additional seasonal piling limitations to protect herring and sole spawning grounds. I note that you are not an Interested Party (IP) in this Examination.

The Examining Authority has decided to refer the matters that you raise to the Applicant, the MMO and fisheries IPs in the Examination for comment at Examination Deadline 7. It has also decided to invite you to participate in the Examination as an Other Person (OP), in case you wish to provide any final comment on this point at Deadline 8. To enable you to do so, it will include this matter in its questions under Rule 17 of the National Infrastructure (Examination Procedure) Rules (EPR), to be published on 30 May 2019.
