The numbers relate to plot numbers. Please refer to the Book of Reference for more information about these plots, including the approximate area of each plot (in square metre).

Plot numbers include a reference to the relevant sheet of the plan. For example, a plot number of 2/05 indicates that the plot is located on sheet 2 of the plan. The first digit (2) represents the sheet number, and the second digit (05) represents the plot number on that sheet.
