Good afternoon,

Could I please register representatives of Graveney with Goodnestone Parish Council to attend and speak at hearings/the site visit as follows:

Open Floor Hearing - 16th July

Cllr Catherine Wilkinson to attend and speak on archaeological matters.

Open Floor Hearing - 22nd July

Cllr Alan Stewart to attend and speak on heritage matters.

Issue Specific Hearing - 23rd July

Cllr Alan Stewart to attend and speak on landscape and visual amenity matters.

Cllr Lesley Lound to attend but not speak.

Accompanied Site Hearing - 24th July

Cllr Alan Stewart and Cllr Lesley Lound to attend.

Could we also please put forward some suggestions for further viewing sites as follows:

1. Between the junction at the bottom of Broom Street and the Old Rectory; this is a public road and gives a clear view of the arable landscape on Cleve Hill which helps demonstrate the visual impact and how the scheme would affect the setting of heritage assets, namely Sparrow Court as a Grade II listed building and the Old Rectory as a non listed heritage asset.
2. All Saints Church on Seasalter Road. Arrangements may need to be made with the church authorities but from the grounds there is an uninterrupted view across the landscape on Cleve Hill and towards the shore line which helps demonstrate the visual impact and how the scheme would affect the setting of heritage assets, namely All Saints Church as a Grade I listed building and the adjacent Graveney Court as a Grade II listed building.
3. Crown Cottages, Cleve Hill; this is a public road and the location provides a clear view of the open landscape quality across Cleve Hill and the marshes.

I look forward to hearing from you.

Kind regards,

Bex Ratchford  
Parish Clerk
