Date: 12 June 2019 19:30:15

Dear Madam or Sir,

I would like to inform you that I would like to attend and speak at the following events:

Open floor hearing: Tuesday, 16th July 2019, I would like to speak and enquire current position of the The Planning Inspectorate in relation to my objection that the Agricultural Land Classification assessment conducted by Cleve Hill Solar Park.

Issue specific hearing 1 (ISH1) on Need, **Wednesday, 17th July 2019**. I do not intend to speak at this date.

Issue specific hearing 2 (ISH2) on the draft development consent order, **Thursday, 18th July 2019**. I am currently preparing a preliminary conceptual site model for a site specific risk assessment to human health and the environment in an event of catastrophic failure of the solar power storage equipment in accordance to CLEA modelling, (currently prepared and will be submitted before 26/06/2019) and would request an update position of The Planning Inspectorate on this issue.

Issue specific hearing 3 ((SH3) on Landscape and visual amenity Matters, **Tuesday, 23 July 2019**. I do not intend to speak on this date.

Issue specific hearing 4 (ISH4) on biodiversity/nature conservation matters on **Thursday, 25 July 2019**. I do not intend to speak on this date. However, in the case no other groups have prepared a statement on 'scientific evidence on habitat separation and destruction due to proposed development' (currently further assessed) I would like to speak and have most likely prepared a written report in relation to habitat separation and destruction.

Yours sincerely,

Bruno Erasin, BSc, PhD
