Hi

I attach a joint written representation submitted on behalf of the Ramblers, Faversham Footpaths Group, Swale Footpaths Group and the Open Spaces Society. We agreed to submit a joint representation on behalf of the main walking interests before it was suggested it would be helpful to you.

I would also like the opportunity to speak very briefly at the Issue Specific Hearing 3 (ISH3) on Landscape & Visual Amenity Matters scheduled for Tuesday 23 July at Bapchild. I do intend to be very brief and simply reinforce the uniqueness of this section of the England Coast Path and give an opinion on how I feel the Applicant has dealt with the impact on walkers. If allowed, I would appreciate being high on the agenda as I am going on holiday later in the day. I do not intend speaking for anything more than five minutes unless cross examined.

Thanks.

Ian Wild
