Dear Sir/Madam

I requested to attend the ASI on the seawall at the North West corner of the site.

My farm is the westerly neighbour to Oare Nature Reserve with Cleve Hill being part of the easterly neighbour. Under my contract with Natural England, in the winter months, I can't even graze sheep in the marshes closest to Oare Nature Reserve so as to not disturb over wintering birds.

The quietness of this area will be know by the Inspectorate. Now that I have mentioned the detail of my farming restrictions I do not now need to attend the ASI.

Thank you.

Stephen Ledger
