Subject: Photos Sparrow Court - Accompanied Site Visit - Alan Stewart
Date: 31 July 2019 19:27:05

Dear Hefin,

Please find enclosed the two photos Alan Stewart showed during the accompanied site visit -- both were taken in February 2019.

The first one (which shows a bit of a car) was taken from the drive of Sparrow Court and looks to Cleve Hill.

The second one was taken from an upstairs window in Sparrow Court and looks to Cleve Hill.

Thank you and best wishes,

Lut Stewart
