Deadline 7 – Late Filing of Wirsol Annual Accounts

Dear Hefin,

On behalf of GREAT I wish to make the ExA aware that Wirsol have not yet filed their annual accounts, which were due on 30 September 2019.

Looking at the Companies House records, Wirsol have previously submitted their accounts on time so this raises concerns that there may be a reason why they are delaying the filing of their accounts until the examination period ends.

<https://beta.companieshouse.gov.uk/company/08989005>

This makes us question the financial position of the company and we would like the ExA to question the reason for the delay and consider the impact this may have on their ability to fully assess the viability of Wirsol to finance this development.

Kind regards,

Marie King
