1 INTRODUCTION

1.1 Purpose of this document

- 1.1.1 This Book of Reference relates to an application made by Cleve Hill Solar Park Ltd (the “Applicant”) to the Planning Inspectorate under the Planning Act 2008 (the “2008 Act”) for a Development Consent Order (“DCO”). If made, the DCO would grant consent for the Applicant to construct, use and maintain the Cleve Hill Solar Park (the “Scheme”).
- 1.1.2 This Book of Reference lists the plots of land over which the Applicant is seeking powers of compulsory acquisition of land and compulsory acquisition of rights (including restrictions) (Articles 16 & 18) and powers of temporary possession (Articles 24 & 25) in the DCO for the purposes of the Scheme. For each plot it identifies whether the Applicant is seeking the power to compulsorily acquire the freehold or the power to create and/or acquire permanent rights including restrictions. It also lists any persons with land outside the Order limits who may be entitled to make a relevant claim for compensation due to the effects of construction or when the Scheme is in use.
- 1.1.3 This Book of Reference has been prepared and submitted in compliance with Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the "2009 Regulations"), as amended, and in accordance with the Department for Communities and Local Government guidance 'Planning Act 2008: Guidance related to procedures for compulsory acquisition of land' (September 2013).
- 1.1.4 As this Book of Reference is part of the application documents it should be read in conjunction with the Land Plan (Application document reference 2.1), the Crown Land Plan (Application document reference 2.7) the Special Category Land Plan – Open Space (Application document reference 2.10), the Statement of Reasons (Application document reference 4.1) and the draft DCO (Application document reference 3.1).
- 1.1.5 This Book of Reference is divided into five parts as prescribed by Regulation 7(1) of the 2009 Regulations. Each of the five Parts are summarised in the next chapter, together with a brief commentary on how the requirements in the 2009 Regulations have been interpreted and applied to the collation of each Part of the Book of Reference for the Scheme.

2 BOOK OF REFERENCE DESCRIPTION

2.1 PART 1 DESCRIPTION

2.1.1 Part 1 of the Book of Reference is described in Regulation 7(1)(a) of the 2009 Regulations as follows:

Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to –

- I. powers of compulsory acquisition;*
- II. rights to use land, including the right to attach brackets or other equipment to buildings; or*
- III. rights to carry out protective works to buildings*

2.1.2 Part 1 of this Book of Reference contains the names and addresses of each person within Categories 1 and 2, as set out in Section 57 of the 2008 Act, along with a description of the land and an approximate area of each plot of land in which the development will be carried out.

2.1.3 A person is within Category 1 if they are an owner, lessee, tenant, or occupier of the land. A person is within Category 2 if they are interested in the land or have the power to sell and convey or release the land.

2.1.4 Each plot is coloured on the Land Plan. The colour of the plot serves to provide an indication of the purpose for which the land in that plot is required as set out in the table below:

Colour of Plot on Land Plan	Purpose
Pink	Freehold to be compulsorily acquired and temporary use of land and in relation to which it is proposed to extinguish easements, servitudes and other private rights.
Blue	Rights (including restrictions) to be compulsorily acquired and temporary use of land and in relation to which it is proposed to suspend or extinguish easements, servitudes and other private rights.

2.2 PART 2 DESCRIPTION

- 2.2.1 Part 2 of the Book of Reference is described in Regulation 7(1)(b) of the 2009 Regulations, that states;

Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57

- 2.2.2 Part 2 of this Book of Reference contains the names and addresses of each person within Category 3, as defined by Section 57 of the 2008 Act.

- 2.2.3 A person is within Category 3 if the Applicant believes that, if the DCO were to be made and fully implemented, they would or might be entitled to make a relevant claim as defined in section 57(6) of the 2008 Act. A relevant claim is a claim under section 10 of the Acquisition of rights (including restrictions) Act 1965, a claim under part 1 of the Land Compensation Act 1973, or a claim under section 152(3) of the 2008 Act.

2.3 PART 3 DESCRIPTION

- 2.3.1 Part 3 of the Book of Reference is described in Regulation 7(1)(c) of the 2009 Regulations, that states;

Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with

- 2.3.2 Part 3 of this Book of Reference contains the names of all those persons with easements or other private rights over land which may be affected by the Scheme.

- 2.3.3 Certain persons included within Part 1 of this Book of Reference have also been included within Part 3 where their rights may be affected. Examples include statutory undertakers with services in or under the land, and whose rights over the land are likely to be affected whether the land is required permanently or temporarily

2.4 PART 4 DESCRIPTION

- 2.4.1 Part 4 of the Book of Reference is described in Regulation 7(1)(d) of the 2009 Regulations, that states;

Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made.

- 2.4.2 Where Crown interests in land have been identified, these are listed in Part 4, and the relevant plots are also shown on the Crown Land Plan (Application document reference 2.7) to signify that it is Crown land.

2.5 PART 5 DESCRIPTION

2.5.1 Part 5 of the Book of Reference is described in Regulation 7(1)(e) of the 2009 Regulations, that states;

Part 5 specifies land –

- i. the acquisition of which is subject to special parliamentary procedure;*
- ii. which is special category land*
- iii. which is replacement land*

2.5.2 Part 5 of this Book of Reference specifies land that has been identified as being special category land. The location of any land which is Special Category Land is shown on the Special Category Land Plan – Open Space (Application document reference 2.10).

3 BOOK OF REFERENCE NOTES

- 3.1.1 All plot area measurements in the Book of Reference are approximate, as these measurements are given in square metres, and each measurement is rounded up to the nearest whole square metre.
- 3.1.2 The Order land is identified by numbered entries on the Land Plan and in the Book of Reference. Each plot of land shown in this Book of Reference has been given a unique reference. The first number relates to the Land Plan sheet on which the plot is located. The second number differentiates between different plots on each plan.
