Dear Colleague,

We would like to invite you to participate in the Statutory Consultation for Norfolk Boreas. I note, below, the dates and locations and also share the latest e-newsletter.

You may well have received this invite before and I apologise if this is the case. Please do be back in contact if you would prefer not to receive an update and I will ensure you are removed from the mailing. Likewise, if there is another colleague that we should contact as well or instead, please do inform me.

We would welcome you, those you work with and your students/young people to join us at **any** of the drop-in events. There will be an opportunity to learn more about the project and for you/your students to discuss the projects and share thoughts and views with the project team. If you intend to bring a small group, please do say and we will make some special provision, otherwise, please just drop in or encourage your students to do so – they will be very welcome.

An up to date summary of the project can be found here:

We look forward to seeing you. Please do call/text me if you need further information. Also please note that over the next 2 weeks I will be attending the drop in events and will have very limited access or time for e-mails, I therefore copy my colleagues in at [info@norfolkboreas.co.uk](mailto:info@norfolkboreas.co.uk).

Kind Regards

Sue
