Dear Sirs,

I refer to the notification for the preliminary meetings and draft timetable for examination.

At this stage NATS does not expect to attend the preliminary meetings or have a Statement of Common Ground in a mature enough state to submit, however it remains engaged with the Applicant and is investigating mitigation measures, and wishes to be kept informed on the Appeal process. NATS will submit further representations when progress has been made, or at any time should a specific request be directed at it by the Inspectorate.

Regards

A. Auld
