Dear Planning Inspectorate,

I hope you will allow this submission.

I would like to bring to your attention the following newspaper article which highlights the vulnerability of Happisburgh Cliffs and how the predicted rate of erosion in the Shoreline Management Plan (which Vattenfall are basing their facts on !) has proved to be vastly understated.

https://inews.co.uk/news/long-reads/coastal-erosion-norfolk-happisburgh-climate-change-retirement-examined-1327600?fbclid=IwAR1qto5zrhjYE9DBOWFM6nyE_RY9ZGZGLtrz-asZ-R7FAI8df9f0J_ic2Es

Thank you
Jan Burley
Happisburgh Resident
