

Planning Act 2008 (as amended)

EN010087 – Application by Norfolk Boreas Limited for an Order granting Development Consent for the Norfolk Boreas Offshore Wind Farm Project

Norfolk Boreas Offshore Wind Farm Project - Accompanied Site Inspection itinerary. 23 January 2020

The itinerary for the accompanied site inspection can be found below.

Please note that the Examining Authority's (ExA) inspection of sites is not an opportunity to provide any oral representations on the project or discuss evidence. It is an opportunity for the ExA to look at the physical features that can be seen on, or from the sites. Participants may be invited by the ExA to point out specific features or sites of interest.

Joining the site inspection

The site inspection will commence at the car park at the Tuns Lane Co-op / Costa Coffee, 2 Rudge Way, Necton, Swaffham, PE37 8EH on Thursday 23 January 2020 at 8.00am. Transport to accompany the ExA will be provided, however space on the minibus for members of the public wishing to attend will be on a first-come, first-served basis. Once the vehicle is at capacity, participants will be required to use their own vehicles to follow the itinerary. Participants are asked to assemble promptly at the car park - the ExA will not wait for parties who are not present at the start point at the notified time.

All timings are approximate - it is not possible to predict precisely how long each part of the inspection will last. Parties wishing to join en route should notify the project case team, by telephone on 0303 444 5000 or email NorfolkBoreas@planninginspectorate.gov.uk giving a contact telephone number. The Case Manager, Sian Evans, can be reached on the day of the Accompanied Site inspection on 07407 878448.

To ensure the smooth running of the ExA's inspection, attendees should provide contact details for the day; notify the case team if there are any changes in attendance and ensure the Planning Inspectorate is made aware of any special access requirements for any participants.

Clothing

It will be necessary for all parties to wear appropriate sturdy footwear and weather-proof clothing. All parties are advised to bring and wear high visibility jackets, if they have them, when walking on the public highway.

Sites on private land

Access onto private land or into homes is at all times by permission of the person controlling it; householders, occupiers and landowners may refuse to allow some persons accompanying the ExA onto their land. Under those circumstances, the ExA will decide whether or not to proceed with that part of the inspection and may ask those refused access to wait outside.

Cancellations

Please note that in the unlikely event that the accompanied site inspections are cancelled due to unforeseen circumstances we shall endeavour to contact attendees beforehand but we would ask that you regularly check the Planning Inspectorate's website which can be viewed here:

<https://infrastructure.planninginspectorate.gov.uk/projects/Eastern/Norfolk-Boreas/>
