TO WHOM IT MAY CONCERN

As a resident, business owner and parent of children [REDACTED] in Cawston I want to record my objections to the latest Highway Intervention Scheme proposed by Vattenfall Norfolk Boreas.

This scheme will send 100s of HGVs through our village which has narrow roads and even narrower paths (or no paths) at great danger to pedestrians.

We are also concerned about the detrimental effects it will have on our business.

This is unacceptable and I urge you to reject this proposal.
