Subject: Norfolk Boreas Examination timetable

Dear Sian,

Despite recent events we continue to make good progress and work towards closing out remaining issues with the majority of stakeholders and will be submitting all requested documentation at Deadline 8 on Wednesday 8th April. Based on the Rule 8 update issued by the ExA on the 19th March 2020, the Applicant understands that there are currently no further planned amendments to the Examination timetable and therefore we continue to work towards finalising all matters prior to the 12th May 2020.

In the event that, for whatever reason, any serious consideration were to be given to extending this timetable we would first ask that we were fully consulted at the earliest stage before any decisions were made.

Best Regards,

Jake Laws
