Dear Ms Fernandes,

## **Planning Act 2008, Norfolk Boreas Limited, Proposed Norfolk Boreas Offshore Wind Farm**

### **MMO Deadline 8 Response**

On 11 June 2019, the Marine Management Organisation (the “MMO”) received notice under section 56 of the Planning Act 2008 (the “PA 2008”) that the Planning Inspectorate (“PINS”) had accepted an application made by Norfolk Boreas Limited (the “Applicant”) for determination of a development consent order for the construction, maintenance and operation of the proposed Norfolk Boreas Offshore Wind Farm (the “DCO Application”) (MMO ref: DCO/2017/00002; PINS ref: EN010087).

The Applicant seeks authorisation for the construction, operation and maintenance of the DCO Application, comprising of up to 154 wind turbine generators together with associated onshore and offshore infrastructure and all associated development (“the “Project”).

The MMO is currently preparing a response in relation to the further information provided to the Secretary of State for the Norfolk Vanguard Project, which is to be submitted 27 April 2020. The MMO notes some submissions at Deadline 7 are similar to the Norfolk Vanguard submissions. Therefore the MMO will be providing a detailed response to all Deadline 7 submissions at Deadline 9.

The MMO has worked with the Applicant to progress the Statement of Common Ground and the Applicant will submit a version of this at Deadline 8.

This written representation is submitted without prejudice to any future representation the MMO may make about the DCO Application throughout the examination process. This representation is also submitted without prejudice to any decision the MMO may make on any associated application for consent, permission, approval or any other type of authorisation submitted to the MMO either for the works in the marine area or for any other authorisation relevant to the proposed development.

Yours Sincerely

Rebecca Reed
