Dear Sir

Further to my email below I can advise you that following discussion with Members of the Council it is considered that there is no need to extend the Examination period beyond 12 May 2020.

We will respond to all outstanding matters by Deadline 9 on 29th April 2020.

Kind regards

Simon

Subject: Norfolk Boreas ExQ3

Dear Sir

I am writing in response to the round of written questions and requests for examination issued by the Examining Authority on 23rd March 2020.

It is noted that the deadline for responses is Deadline 7 i.e. 31st March 2020.

Given the current situation it is requested that there be an extension to this timeframe to the end of April 2020.

It is also considered that it would be appropriate to extend the Examination period by at least three months to allow all parties extra time / flexibility in responding to any further questions from the Examining Authority and resolving any outstanding matters. This extra time is needed given the potential resource uncertainties for Local Authorities caused by the current CORVID 19 outbreak.

Yours sincerely

Simon
