Subject: Boreas Hearing-virtual hearing 16th July 2020
Date: 15 June 2020 19:05:14

With reference to the above, which we are not able to attend, we would, nevertheless, like to register our concerns about the impact of this proposal, with particular reference to the high incidence of traffic which would be passing through Cawston on a daily basis at a wholly inappropriate level for such a small village and on such inadequate roads for such purpose.

We are residents of Commonside, Salle, which is approximately half a mile from the Cawston village centre.

Alison and Michael Barrett
