Dear Sir/Madam,

Thank you for the opportunity to comment on the Examining Authority's fifth Round of Questions. The following response is submitted on behalf of Anglian Water.

Q5.5.8.1 Schedule 17 Protective Provisions:

Changes to Protective Provisions consistent with Vanguard made DCO: The ExA notes the update provided by the Applicant at ISH5. Can it now confirm that any drafting changes made to Protective Provisions in response to the making of the Norfolk Vanguard Development Consent Order are now agreed by all parties [REP13-008 and REP13-012; REP13-016]. Other parties may wish to comment.

We note that the protective provisions for Anglian Water have been updated following the approval of the Norfolk Vanguard DCO for consistency and have been in dialogue with applicant in relation to this matter.

I am writing to confirm that these are agreed with Anglian Water as these do not change the substance of the protective provision provisions as submitted.

The intention is that the Statement of Common Ground (SoCG) with Anglian Water is to be updated to take account of the above and submitted for deadline 16 by the applicant on behalf of both parties as the final SoCG.

I would be grateful if you could confirm that you have received this response.

Should you have any queries relating to this response please let me know.

Regards,
Stewart Patience, MRTPI
Spatial Planning Manager
