Questions

Section 4

Appendix 4.1

Applicant: Norfolk Boreas Limited
Document Reference: ExA.WQ-5.D14.V1.App4
Deadline 14

Date: August 2020
Revision: Version 1
Author: Royal HaskoningDHV

Photo: Ormonde Offshore Wind Farm

Date	Issue No.	Remarks / Reason for Issue	Author	Checked	Approved
20/08/2020	01D	First draft for internal review	BT	CD	
25/08/2020	01F	Final for submission at Deadline 14	BT	VR	JL

Table of Contents

Norfolk Boreas Scenario 1 Programme	4
Norfolk Boreas Scenario 2 Programme	5
Norfolk Vanguard Programme.....	6
Hornsea Project Three Programme	7

Norfolk Boreas Scenario 1 Programme

The following programme has been taken from the Norfolk Boreas Environmental Statement, Chapter 5 Project Description [APP-218], Table 5.39 Scenario 1 onshore indicative project construction programme.

Activity	Year					
	2022	2023	2024	2025	2026	2027
Landfall						
Duct installation – Option A						
Duct installation – Option B						
Cable pulling, jointing and commissioning						
<i>Phase 1</i>						
<i>Phase 2</i>						
Onshore cable route						
Cable pulling, jointing and commissioning						
<i>Phase 1</i>						
<i>Phase 2</i>						
Onshore project substation and National Grid substation extension						
Pre-construction works						
Primary works						
Electrical plant installation and commissioning						
<i>Phase 1</i>						
<i>Phase 2</i>						

Norfolk Boreas Scenario 2 Programme

The following programme has been taken from the Norfolk Boreas Environmental Statement, Chapter 5 Project Description [APP-218], Table 5.43 Scenario 2 onshore indicative project construction programme.

Activity	Year					
	2021	2022	2023	2024	2025	2026
Landfall						
Duct Installation						
Cable pulling, jointing and commissioning						
<i>Phase 1</i>						
<i>Phase 2</i>						
Onshore cable route						
Pre-construction works						
Duct installation works						
Cable pulling, jointing and commissioning						
<i>Phase 1</i>						
<i>Phase 2</i>						
Onshore project substation and Necton National Grid Substation						
Pre-construction works						
Primary works						
Electrical plant installation and commissioning						
<i>Phase 1</i>						
<i>Phase 2</i>						

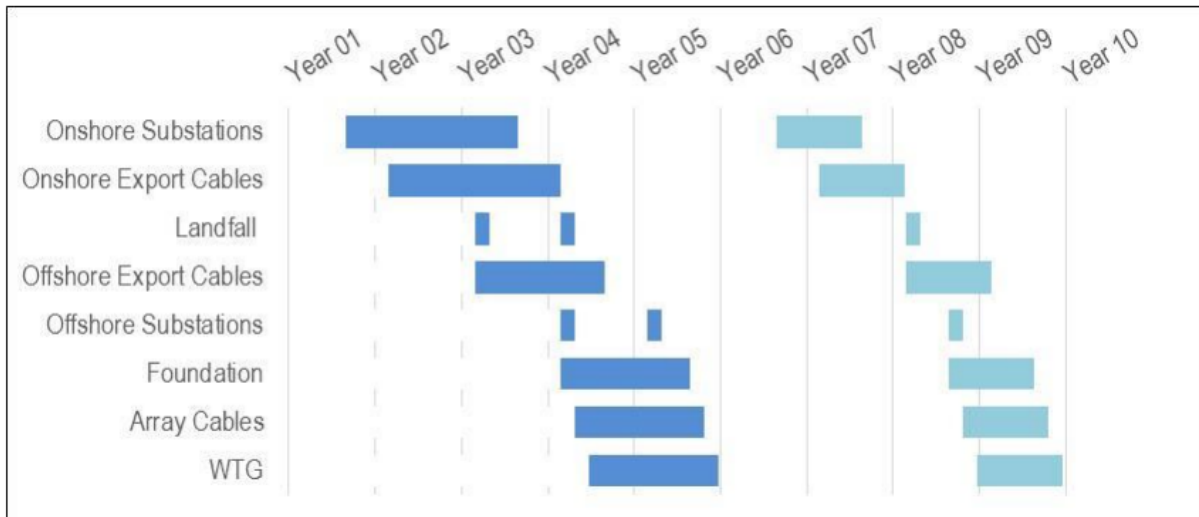

Norfolk Vanguard Programme

The following programme has been taken from the Norfolk Vanguard Environmental Statement, Chapter 5 Project Description, Table 5.36 Indicative project construction programme.

Activity	Year					
	2020	2021	2022	2023	2024	2025
Landfall						
Duct Installation						
Cable Pull, Joint and Commission						
<i>Phase 1</i>						
<i>Phase 2</i>						
Onshore cable route						
Preconstruction works						
Duct installation works						
Cable pull, joint and commission						
<i>Phase 1</i>						
<i>Phase 2</i>						
Onshore project substation						
Preconstruction works						
Primary works						
Electrical plant installation and commission						
<i>Phase 1</i>						
<i>Phase 2</i>						

Hornsea Project Three Programme

The following programme has been taken from the Hornsea Project Three Environmental Statement, Chapter 3 Project Description, HP3 Chapter 3, section 3.8 Figure 3.3.9 Indicative construction programme if Hornsea Three built out in two fully sequential phases. The programme for two sequential phases shows the worst case duration for the onshore construction works associated with Hornsea Project Three.

*Note: Year 01 in the above programme will be 2021.
