

Planning Act 2008 – section 93

Agenda for Open Floor Hearing (OFH)

The Examining Authority (ExA) notified Interested Parties (IPs) on 16 December 2019 of the decision to hold an OFH:

Hearing	Date and time	Venue

There is free parking available at the venue. Retford train station is approximately a mile from the venue.

Participation, conduct and management of OFH

The ExA has received a request from two IPs to speak at the OFH. However, all IPs are welcome to attend the OFH. The purpose of the OFH is to offer the opportunity for people to bring to the attention of the ExA issues of concern to them. The amount of time permitted for IPs to make oral representations will depend on the number of people present wishing to speak. Oral representations for IPs should be based on their Relevant Representations and Written Submissions.

All IPs who wish to make oral representations are invited to participate in the OFH. However, the OFH does not have a subject matter-controlled agenda and participants may bring up any matter arising from the application that is also important and relevant to a decision taken under the Planning Act 2008 (as amended) (PA2008). Participation is therefore of most relevance to IPs who wish to raise matters that are not addressed in the agenda for an Issue Specific Hearing (ISH).

The ExA requests that EDF Energy (Thermal Generation) Limited (the Applicant) attends the OFH. The Applicant will be given the opportunity to respond to IPs oral cases before the close of the OFH.

Participants may be legally represented if they wish, but the OFH will not be adversarial and no cross examination shall take place.

If the ExA has any questions to ask at the OFH, these are likely to be for clarification purposes only.

The agenda may be amended by the ExA at the start of the hearing session.

Participation is subject to the ExA's power to control the OFH.
