Dear Ms Cottam

**Application by RWE Generation UK plc for an Order Granting Development Consent for the Tilbury Energy Centre, for the Secretary of State's opinion as to the information to be provided in an Environmental Statement relating to the proposed development.**

I write in response to your letter dated 13<sup>th</sup> April 2018 concerning the consultation undertaken for the above project.

The Borough has assessed the matter under consideration i.e. the content for an Environmental Statement in connection with the proposed development by RWE Generation Plc at the Tilbury Energy Centre and concluded that it has no comments to make in this regard.

The Council would like to register a request to continue to be consulted in the future as the DCO process progresses to allow the opportunity for further assessment and comment concerning the proposed development.

Yours sincerely

RP Mr R Lancaster  
Head of Development Management
